

Year 10 - International Section 2023-2024

- On February 4th, we organised a Charity Bal to help finance our trip to London : it was great fun ! Former students of the school who are in a band came to entertain us.

- Then, we travelled to London by ferry and bus between April 4th and 8th. We had a great trip : stayed in a youth hostel in Soho London, walked miles and miles in London streets, visited the British Museum, the Imperial War Museum, had dinner in the Hard Rock Café... And of course, we saw a brilliant production of The Tempest in W. Shakespeare's Globe Theatre !

- Finally, on May 12th, we took part in the Prix Epoque organised by the City of Caen and after reading her novel : The Yellow Line, we met the author Séraphine Menu and worked with her on creating characters and dialogues. She explained how she writes, how she comes up with story lines and new characters, where she gets her inspiration. We also discussed the setting of The Yellow Line, which is the city of London and its cultural diversity.
